[1] ↑ Percentage of the reimbursement of the average rate we pay contracted care providers for this care.

[2] ↑ The year runs from 1 January to 31 December.

[3] ↑ You pay an excess on the first 200 kilometers of ambulance transportation for repatriation.

[4] ↑ Percentage reimbursed based on the statutory or market-conform rate.

[5] ↑ The maximum reimbursement applies to all dental treatments together. Except for dental costs after an accident. This is a separate compensation.

[6] ↑ Max. €75 per calendar year for fillings, extractions, X-rays, anaesthesia, specific follow-up consultations for implantology and extended follow-up consultations for implantology combined, plus either: 1 check-up and up to 25 minutes of dental cleaning; or 2 check-ups and up to 1 dental cleaning of 15 minutes.

Reimbursements shown here are for illustrative purposes only. More conditions apply.
